Dear Family,

We are very glad that you are choosing Bishop Rosecrans High School. The attached form is required to request financial assistance towards the cost of the 2018-2019 year's tuition. Please fill out the application completely. **Do not skip any sections.** All requirements must be completed in order for the Tuition Assistance Committee to consider your application for a tuition assistance award. A checklist is included with this letter for your reference.

BRHS attempts to make enrollment possible for as many families as we can by offering tuition assistance funds. Tuition assistance awards are funded by the school's tuition pool and are awarded based on need. Awards are made annually, and an award one year does not guarantee an award thereafter. Applications are accepted in the annual enrollment timeframe. Thereafter, applications may be considered in the case of a significant event that affects family finances.

Tuition assistance applications are evaluated by a Tuition Assistance Committee excluding school administration. This committee bases tuition assistance grants on the data provided in this application and through the FACTS Tuition Aid verified application. The name of the family and children's names will remain confidential to the members of the Tuition Assistance Committee. A formula is used to calculate tuition awards; it takes into account annual income, the total number of children in the family, and the number of children enrolling at Bishop Rosecrans High School.

Depending on the data from each family and the availability of funds, the committee may award the full amount of tuition, a lesser amount, or no amount. In each case we seek to be equitable and generous to the extent we are able.

We look forward to working with you so that your family can take advantage of receiving a Catholic education at Bishop Rosecrans High School. Thank you!

## BRHS Financial Assistance Overview

Bishop Rosecrans High School will make every reasonable effort to offer tuition assistance to students whose family income and academic progress warrant such support. **Qualification(s): a student receiving tuition assistance must not fail more than two classes per quarter and strive to be an image of Christ in Mind, Heart, Body and Soul.** Since the family is expressing financial hardship, the committee recommends the family refrain from exceptional expenditures that would call into question the need for financial assistance. All applicants **MUST** complete the Diocese of Columbus FACTS Tuition Aid online application and ensure that it is submitted and verified by the deadline March 15th. **The Catholic Schools of Zanesville Board of Trustees also requires that families requesting tuition assistance also participate in our tuition credit gift card program (SCRIP).**

Our process for awarding aid includes reviewing the financial information provided by the Diocese of Columbus FACTS Tuition Aid verified online application, the BRHS Tuition Assistance Application, and additional supporting documents if required. Families will not be considered for financial assistance until the tuition assistance applications and supporting documentation is complete and submitted.
