

## **Julie Poland Major Scholarship**

In 1990, Julie Poland Major, a Rosecrans alumna of the class of 1982, an outstanding student and athlete died.

In her memory, her husband, Al Major, as well as her parents, Gale and Joan Poland, established this scholarship fund which bears her name. Relatives, friends and colleagues too numerous to mention have contributed to this scholarship fund within the Bishop Rosecrans High School Foundation. They requested that the recipient of this award be a female graduate who lettered in any varsity sport, showed academic potential for college, demonstrated a good cooperative effort during her high school years, and merited financial assistance for college expenses.

We are grateful not only for Julie's memory, but also grateful to be able to award this scholarship annually.
