March 2018

Welcome to the Catholic Schools of Zanesville's monthly newsletter! We will be keeping in contact with you once a month and letting you know all the happenings in our world. We will spotlight something new each month. This month is the ever important Annual Fund drive.

Whether you're an alumni, parent, grandparent or friend of the Catholic Schools of Zanesville, you know the importance and value of a Catholic Education. Our schools pillars: Faith...Scholarship...Service...Community clearly articulates what Catholic education is all about. Bishop Rosecrans and Bishop Fenwick focus on educating students in our Catholic faith and providing an excellent academic education within a family-centered community. The goal is to prepare our children for their future as well as to form our future Catholic leaders. While those goals are very clear, the financial means to achieve those goals are not as secure. That's where the Annual Fund drive comes in.

Active support and participation by school families, staff and parishioners demonstrates the strong commitment we all have to the Catholic Schools of Zanesville.

Please consider giving – no matter the amount. Even small contributions make a difference! Please remember that your contribution is 100% tax-deductible, and check with your employer to see if they offer a matching gift program.

Thank you for your past and present support, and also for the part that you have played in making our school the vibrant and treasured institution that it continues to be today!

The Annual Fund helps fill the gap between the actual cost of educating one child versus tuition costs. We have set some ambitious goals to meet our overall goal of \$95,000 this year:

- **100% of school families participate**
- **50% of alumni families participate**
- **100% of staff participate**
- **50% of parishioners participate**
